

## **Heavy Equipment Operator 21-Week Program**

*Includes Class 03 & Endorsements 8 and 9A*

This program is accredited and is offered to entry level people with little or no experience in the operation of heavy equipment. Operators who may have acquired previous credits and experience may also apply. Upon completion of this program, a successful participant will be ready for an entry level position with a heavy equipment contractor. You will have the essential skills, knowledge, and attributes to operate as an apprentice in the construction industry.

### **Heavy Equipment Courses:**

**Tuition:** \$15,550.00

**Books:** \$575.00
